The Yamaha Corporation will release a new golf club, the YP-101 (Putter), nationwide in July 2023.

Yamaha Putter YP-101

Face with a milling finish

The YP-101 putter focuses on the blade design based on the concept "Back to the Basics." The blade type is considered to be the original shape for putters. The YP-101 putter will appeal to many golfing style preferences. The main features are:

1. Orthodox blade putter with a design that emphasizes simplicity
2. 3-sided sole assists in stability at address
3. The non-face balanced design gives an "in-to-in" stroke feel experienced in a shot
4. 0.03mm depth milled face for a moderate hitting feel without being too soft
